

BCC Aviation Weather Seminar; Knowing what to ask Flight Service!

Join Lockheed Martin Program Manager, Jon Herman in an informative talk about Lockheed Martin, their role as a vendor, different available weather products, and how to obtain the weather products you need for a successful flight. We will discuss what you as a pilot should know before embarking on a flight...such as forecasts, weather products for your type of aircraft and more importantly; how to use the information properly!!

Directions: Please see attached Campus map. TEC 128 Technology Building

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
